How to add your own Parameter?

How to add your own Parameter?

In order to facilitate the work of publishers, ChineseAN supports publishers to add their own parameter “mld” in your promotion link in order to distinguish conversions from different sources.

Here is the way to develop your own link:

Assuming that this is the link for you:

<http://www.chinesean.com/affiliate/bannerClick.do?wId=10002&pId=10075&cId=11002>

You can add a parameter at the back of the link in order to trace the member ID

<http://www.chinesean.com/affiliate/bannerClick.do?wId=10002&pId=10075&cId=11002&mId=>

_____” please add your Member ID in this space.

Examples:

[http://www.chinesean.com/affiliate/bannerClick.do?wId=11128&pId=10002&cId=10678&mId=\[creditUser\]](http://www.chinesean.com/affiliate/bannerClick.do?wId=11128&pId=10002&cId=10678&mId=[creditUser])

After that, you may check related information by downloading the event detail table in csv format
